

SAFESTOP ANSWERS ALL THE QUESTIONS, NOT JUST “WHERE’S THE BUS?”

FREE to download and use, SafeStop is the school bus tracking app for parents that provides real-time information about your child’s school bus in a secure environment. We aim to help your school’s transportation department provide reliable, accurate information so you can plan your busy mornings and afternoons a little more easily.

SAFESTOP FEATURES

REAL-TIME SCHOOL BUS UPDATES

Provides the location of the school bus and its Expected Arrival Time for your bus stop

SECURE REGISTRATION PROCESS

Ensures that only authorized users can access bus information

ALERTS & MESSAGING CENTER

Allows transportation staff and school administrators to provide notifications of school closings, delays, and other service announcements

DOWNLOAD SAFESTOP AND REGISTER TODAY!

You can download the SafeStop app, or you can access it via the web at SafeStopApp.com/web.

You will be required to enter in either a valid Student ID or an Access Code to successfully register. If you do not know it, contact your school’s administration for assistance.
