Spotlight:

We are RESPECTFUL... We have to give respect to get respect!

Children learn respectful behavior by watching how grown-ups treat others. Encourage your child to be respectful through your actions.

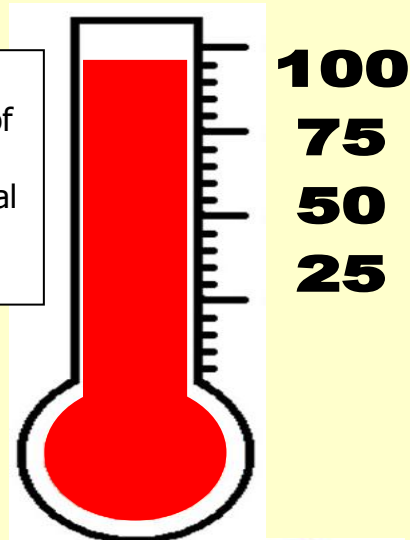

- We are respectful by showing gratitude, thanking people for their assistance and support on a regular basis and be sincere, truly be thankful.
- We are respectful by speaking politely to everyone. Remembering our manners, saying please and thank you.
- We are respectful by complimenting the achievements of others. We celebrate the successes of friends and classmates
- We are respectful by learning to value the ideas and beliefs that are different from our own.

PTA Membership

Becoming a PTA member partners parents, teachers and school administrators the ability to work together to provide students the support and tools to help them achieve their goals. Being involved in your child's school will help build a strong foundation for a successful student.

Have a suggestion for an event or want to help but you aren't sure what is needed? Please join us for our monthly meetings. PTA members are always welcome to sign-up to volunteer at upcoming PTA events.

As of November we have **96 members** of the Orlo Avenue PTA. Help us reach our goal of 100 members for 2014/2015!
