

Dear Parents,

Your child's lunch account is online! Parents are able to access the website [myschoolbucks.com](http://myschoolbucks.com) to monitor their children's lunch account. By signing up for a free account, parents will be able to:

- Put money on lunch accounts by credit card, debit card or e-check
- View purchase activity
- Sign-up for low balance alerts
- Set up recurring payments

Parents have found this user friendly website to be useful in managing student lunch accounts and appreciate the convenient and secure online payment system. All you need to sign up for your free account at [myschoolbucks.com](http://myschoolbucks.com) is your child's lunch account number and name. We encourage parents to prepay for student lunch purchases by the week or month as there is a small transaction fee of \$1.95 for each electronic transaction. The following chart is for your convenience.
